### Awning Multiple Units

To Figure Rough Opening for multiple units, take the total R.O. width or height of the all units and subtract 7/16" for each mull.

Unit Height Combinations		Venting Height			
		18"	24"	30"	
Picture Height	36"	R.O.	53-1/16"	59-1/16"	65-1/16"
		U.D.	53-9/16"	59-9/16"	65-9/16"

		U.D.	71-9/16"	77-9/16"	83-9/16"

Picture heights achieved with 1 of 3 venting unit heights and 4 stationary unit heights.

To Figure Rough Opening for multiple units, take the total R.O. width or height of the all units and subtract 7/16" for each mull.
