MANUFACTURER'S CERTIFICATION STATEMENT

Manufacturer's Certification Statement

American Recovery and Reinvestment Act of 2009

This certificate applies to exterior windows and doors and serves as verification that certain Timeline window and door products are eligible for tax credits as identified in the Internal Revenue Code Section 25c of the American Recovery and Reinvestment Act of 2009.

The 2009 Act pertains to "Eligible Building Envelope Components" that are purchased and installed from January 1, 2009 through December 31, 2010. To qualify for the tax credit:

- The window or door product must have a U-Factor of .30 or lower and a Solar Heat Gain Coefficient (SHGC) of .30 or lower.
- The window or door must be installed in or on a dwelling unit located in the United States and at the time of installation, the dwelling unit is owned and used by the taxpayer as the taxpayer's principal residence. Thus, the credit is only available for existing homes.
- The original use of the item commences with the taxpayer and must remain in use for at least 5 years

Windows and doors that qualify as "Eligible Building Envelope Components" are listed in the Energy Tax Credit area of our website at www.timelinewindows.com. Please consult the most recent revision of this product listing for tax credit eligibility due to ongoing testing and design changes.

The taxpayer is not required to attach this certification statement to their tax return, but must retain the statement as part of their tax records along with any applicable receipts and NFRC labeling showing the certified U-Factor and SHGC ratings of the product(s) as .30 or lower.

As in all tax matters, the taxpayer is advised to consult their tax professional. Timeline Vinyl Products, Inc. assumes no liability regarding the ability of the homeowner to obtain tax credit and this document is not a substitute for professional advice.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
